

At Tiger Lil's you create your own dishes from our huge selection of fresh ingredients. Our flaming-wok chefs cook it up for you while you watch, adding your choice of sauces, and garnishes.

Be as creative as you like. If you're new to Tiger Lil's try one of our classic favourite-flavour combinations first, details of which are on the signs by the kitchen.

HOW TIGER LIL'S WOKS

①

Order drinks and appetisers as you fancy

②

For best results choose your vegetables etc. first. Then put your choice of meat or fish (please don't mix) on top.

③

Take your selection to a flaming-wok chef and choose your flaming-wok sauce and garnish.

④

Watch your flaming-wok chef do his thing. (Rice will be waiting at your table)

A discretionary gratuity of 12.5 % will be added to your bill. This is distributed by the staff

We hope we won't give you cause to complain, but if we do, please let us know. We really do care and want to know if anything goes wrong.
