

As we are situated in the heart of Smithfield Market, there is no cut of beef we can't get, and there is no other place that can get their meat fresher.

With 24 hours notice we can get anything you want, so if you fancy chateaubriand, rib eye or you have a craving for something else just let us know and we will be more than happy to help. We used to have a 40oz sirloin on our menu, so if it's a BIG steak that you're after, don't be too shy to ask. It brings a smile to our face when real lovers of meat come and pay us a visit; we promise that once you've finished eating, there will be a big smile on your face too.
